

Company Information

Magic Peeling USA is the exclusive distributor for of the Magic Peeling Glove® in North America.

The Magic Peeling Glove® is like no other exfoliating product on the market. A 100% natural exfoliating glove, it is soft and light as silk made of the plant cellulose fibre from the Ginestra plant.

As you massage , you can actually see the residue of dull devitalized skin being removed allowing your skin to look younger and healthier than ever before. It is easy to use, even on the most sensitive skin, takes little time and is an inexpensive and healthier alternative to care for your your skin. The Magic Peeling Glove® will improve and eliminate age spots,stretch marks,acne,cellulite and in-grown hairs. The Glove can be used twice a week and it will last 6 months.

See why millions of people are raving about this extraordinary product! Isn't it Time You Started Taking Care of Your Skin? You Deserve It. The Magic Peeling Glove® is here...
